Sorularınız için: staj@aa.com.tr

Applications are now open for the Agency Internship Program, which is designed for undergraduate students who want to gain experience in agency journalism and administrative fields at Anadolu Agency, Turkey's global and national news source.

Within this scope, interns will be accepted to be evaluated in Ankara and Istanbul.

General Qualifications:

- Being a 3rd or 4th year undergraduate student.
- Having a compulsory internship certificate (An approved letter from the school stating that the student is within the scope of compulsory internship must be uploaded to the system at the application stage. Applications made with unapproved documents will be deemed invalid.)
- Having a GPA of 3.00 or above (Approved transcript must be uploaded to the system. Applications made with unofficial transcripts will be considered invalid and documents received via e-Devlet will be accepted.)
- Not having done an internship at Anadolu Agency before.
